Discussion - Spring Social at 4 Pazzi. General consensus was positive. The type and amount of food needs to be addressed. Larry Cafero announced at this social that the Meeting House Board can submit a grant for \$10,000 for some sorely needed repairs to the facility. Peg will send Teddy an invoice for the price of the Spring Social mailing which he agreed to pay - \$416.75

Suggestion made to consider establishing a data base for all of West Norwalk residents regarding their occupations.

Adopt-A-Spot Plantings - Ron presented proposal for signs and will get others for cost comparison. Peg will mail all Board members the plan for plantings. We need to get this moving.

Peg will follow up with Max Ascianto \$75.00 for WNA website development.
