2020

WNA MEMBERSHIP DUES

The West Norwalk Association (WNA) was founded in 1947 and is one of the oldest neighborhood associations in the country. We act as a "Quality of Life" organization with volunteers providing their time for "Good Deeds" such as cleanups, scholarships, Fox Run School donations, tree plantings, adopt a spots, food drives and political forums.

The Board members also attend meetings and provide information about zoning issues, traffic problems, flooding and other concerns raised by members of the Association. In addition, the Association mails out an annual newsletter to 1,300 households with updates on our efforts and useful information on various topics.

We hold an Annual Meeting during October to welcome new Board members and offer the public a chance to meet and hear from leaders within our city. We mail out invitations to our signature holiday party which is held in December and offers a chance for the community to meet neighbors during this festive gathering.

Become actively involved in the preservation of West Norwalk by becoming an engaged and dues-paying member of your Association.

Please understand that ALL OF THE DUES collected are used for direct benefit to the residents. None is used for administration!! All of the Board members serve "pro bono" and give their time freely and generously.

Membership Dues:

West Norwalk Resident \$40

West Norwalk Good Neighbor \$60

West Norwalk Community Builder \$100
